TROOPER

Trooper is a black, 15 hh, Irish Draught x Connemara mare. Born in 1997 she joined our group in 2015. She competed in Pony Club activities before we bought her. Trooper has a lovely active walk and gives our riders a good feeling, providing great physiotherapy. She has taken part in the Beltane Novice Ride and is a kind, gentle and fun horse. She's popular with our riders, many of whom are able to progress to independent riding.

GLEANN

Gleann is a 15.2 hh, black roan, Clydesdale-cross horse, born in 2005 he joined our group in 2018. He's a big loveable boy who takes everything in his stride. His lovely, calm temperament and relaxed, easy going paces help our adult riders feel safe and secure so they can learn the skills to progress to independent riding.

Horse Sponsorship

It's what you can
do that counts

What we do

The Tweeddale Rideability Group helps people with disabilities to improve their health and well being. Our riders learn skills, achieve goals, meet physical and mental challenges, and have fun while riding and working with horses - they all have challenges they deal with on a daily basis, these can be physical, mental, behavioural, emotional or several of these.

Riding provides benefits on many levels. It gives someone who can't walk freedom of movement, it builds self esteem in a child who's depressed and bullied at school, it reduces the social isolation of a shy young adult, aphasic children with autism will speak when on a horse - RDA brings so much joy to so many people on so many levels.

Meet the horses who make a difference

TESS

Tess is a 15.3 hh, dark brown, Irish bred mare. Born in 2004 she joined our group in 2017. Tess has a lovely, kind temperament and quickly settled in to our riding sessions, happily carrying adults or small children. We bought Tess with the intention of using her as a vaulting horse and are in the process of training her. She is progressing nicely.

PRETZEL

Pretzel is a 13 hh, piebald, cob mare. Born in 2013 she joined our group in 2018, although young she learns quickly. She has lovely, active paces which is important for an RDA pony, to give our riders the necessary feeling of movement. We have great hopes for Pretzel and look forward to having many years of fun and adventures with her.

BOBBIE

Bobbie is a black, 13 hh, cob mare. Born in 2007 she has been with our group since 2013. She is steady and unflappable, and safe for our new riders who have never had any contact with horses.

Bobbie's good for riders who have poor or no balance and equally patient with lively, autistic children. Bobbie has been ridden by our riders in the Beltane Novice Ride for the past three years and has also competed in the Regional Dressage Competition. She's a real confidence giver.

Tweeddale Rideability Group

helping people to

- achieve ambitions
